<b>Date Posted:</b>	3/27/06
<b>Description:</b>	This great office has hired several students in the past and the teens have really enjoyed their jobs and the people they work with. The job is real- the student will be responsible for organizing, filing and support work, and you will definitely learn and grow from the experience. Do NOT expect to walk in and do accounting- it will not happen! But if you have a great helpful attitude, are accurate and careful to double check your work you will really learn alot. Remember, this is a job in a professional environment - not a youth program or school- so you will be expected to be a contributing, young adult.
<b>Qualifications:</b>	This position is open to accounting, finance or business oriented students. It's a great job for a teen who has taken Academy of Finance, accounting, economics, business and/or high level math classes. A GPA of at least 3.0 is strongly preferred and some work or extracurricular activity will help to.
<b>Location:</b>	Lake Union/ North Downtown (Bus #70)
<b>Schedule:</b>	Afternoons 3-5:00pm mon-fri
<b>Pay:</b>	9.00 hr to start
